Table of Contents

Context

During this project, I visited the WeWeWeb conference. During this 2-days event, several speakers spoke and shared their UI knowledge and latest design trends with the audience.

Research Methods

Best, good & bad practices

Why invent the wheel again? Incorporating what others have learned is an important practice.

(CMD Methods et al., 2015)

Results

These 2 days we went to the conference venue, here we attended a number of different talks. We concluded the evenings to have dinner and go out with several classmates.

Conclusion

During this event, I gained new knowledge about UI design and the latest trends.

Learning Outcomes

Learning outcome 7: Goal-oriented interaction

By participating in an international event
